

Oct. 26, 2017

Dear friends, family and donors,

Since Angels 2006, Angels for Hearts has had the pleasure of delivering Christmas presents to thousands of pediatric heart patients at the Lucile Packard Children’s Hospital (Stanford, CA), Sutter Children’s Center, Sacramento and UC Davis Children’s Hospital (Sacramento, CA) — all thanks to the generous support of our donors.

It’s that time of year and Santa is planning to fill his sleigh.

We want all in-patient heart kids to experience the simple joy of waking up on Christmas morning knowing Santa found them, even in the hospital, and made their wishes come true.

By making a charitable donation, you will help the Child Life Specialists provide presents and fulfill the “Wishes, Wants and Needs” of the pediatric heart patients this holiday season.

Please donate online at angelsforhearts.org/donate or complete the donation slip below. We request holiday donations by Dec. 10, 2017.

Please note: To reduce our carbon footprint and maximize every dollar, this will be the final year we print/mail this letter to our donors. Please take a moment to be sure we have your current email address, and like our pages on Facebook and Instagram.

Thank you for your generosity and for sharing your healthy heart!

Angels for Hearts Board of Directors

Please detach the following and include it with your donation.

For internal use only: DATE REC _____ DOD _____ IC _____ TY _____

Date: _____

Name/Business: _____
