Important Details

- Parents/Guardians are involved in learning to play golf, so you feel comfortable taking your child to the driving range learning to play as a family.
- A parent/guardian is required to stay for the duration of the golf clinic.
- All participants (parents, guardians and guests) MUST adhere to the golf dress code (collared shirts, tennis shoes, pants/shorts/skirts; no jeans/denim of any kind; no heels or tank tops).
- If your child/children/parent does not have access to collared shirts, we can help! Please contact Angels for Hearts directly.
- Cell phones are not allowed on the golf course; please turn your phones off or on silent when you enter the parking lot.
- If siblings of heart kids play other sports that conflict with our clinic dates, please consider having the sibling leave the golf spot open for another cardiac child.

About I ♥ GOLF

I ♥ Golf is a pediatric cardiac golf program sponsored by Angels for Hearts in affiliation with The Morton Golf Foundation, The Northern California Institute of Golf, and Haggin Oaks Golf Complex.

In 2014, Doug Dickson and Allie Furgurson-Moreno, Golf Professionals from Del Paso Country Club, introduced golf to our heart kids, which has evolved into our I ♥ Golf Program.

2018 is our fifth year growing the game of golf by teaching the sport to pediatric heart patients and their siblings.
